

COSTA DEL SOL EAST - TORROX

Ref:	BP4039	Location:	Costa del Sol East
Bedrooms:	2	Bathrooms:	2
Property Type:	Apartment	m2:	m2

Very pretty frontline beach property with garden and conservatory. You can step directly onto the promenade from your terrace!

All on one level, the property has nice terraces to the front and side, offering sun or shade all day long. A lawn and hedges to the side makes this ideal for all year round living.

Inside, the lounge leads onto the front terrace and off to the side is a fine conservatory which is extremely comfortable on those chilly winter days. An open kitchen looks out onto the lounge and to the terrace and the beach beyond. A short corridor leads to the family bathroom and the bedrooms, with the master en suite. It is light and airy throughout and has been immaculately decorated and furnished to the highest standard.

There are two community pools, a tennis and a Padel court in the beautifully maintained gardens.

Well worth viewing. Malaga international airport is just 40 minutes drive away.

A garage is available adjacent to the property for an extra €15,000
